HONORS & AWARDS

The Robert V. Hogg Award For Excellence in Teaching Introductory Statistics, 2021.
 Young Academy of Scotland Elected Member, 2020.
 Teacher of the Year Nominee. University of Edinburgh, 2020.
 American Statistical Association Fellow, 2019.
 International Statistical Institute Elected Membership, 2019.
[Harvard Pickard Award, 2018.](#)
[ASA Waller Education Award, 2016.](#)
 Best Paper Award JSM 2015 Section on Teaching Statistics in the Health Sciences.
[David and Janet Vaughan Brooks Award for Teaching Excellence.](#) Duke University, 2014.
 Teaching Assistant of the Year Nominee. Department of Statistics, University of California, Los Angeles, 2008, 2009, 2010.
 Graduated Cum Laude & Founders Day Honors Scholar. New York University, Leonard N. Stern School of Business, 2004.

GRANTS & FELLOWSHIPS

Duke University Faculty Advancement Seed Grant for *Building a Community of Practice for Statistics and Data Science Education Researchers.* (2022). \$3,200.
 Duke University Bass Connections Grant for *Collaborative Project Courses Faculty Fellows Program.* (2022). \$5,000.
 National Science Foundation. *Collaborative Research: Accelerating the Pace of Research and Implementation of Writing-to-Learn Pedagogies Across STEM Disciplines* Role: Key Faculty. (2015 - 2020)
 Howard Hughes Medical Institute. *The COMPASS PROJECT.* Role: Co Investigator. (2017 - 2019)
 National Science Foundation. *Preparing Graduate Students for Careers in Teaching Statistics and Data Science* Role: Co-PI. (2018)
 Duke University Intellectual Community Planning Grant for *Women in Quantitative Sciences Initiative.* (2016 - 2017). \$4,000.

Duke University BASS Connections Education & Human Development Grant for *STEM For All*. (2015 - 2017). Role: Principal Investigator. Co-PI: Genna Miller (Department of Economics, Duke University). \$15,000 each year.

[TIER Faculty Fellowships 2015-16](#). Haverford College. \$5,000.

Duke University - Bass Connections Education & Human Development Grant for *Coursera and the Future of MOOCs*. (2013 - 2015). Role: Principal Investigator. Co-PI: Dorian Canelas (Department of Chemistry, Duke University). \$10,000 each year.

Duke University. CIT Grant for *Developing the MOOC: Data Analysis and Statistical Inference* (2013-2014). \$10,000.

Duke Collaborative Center Grant for *Women and Increasing STEM-Efficacy (W-ISE) pilot project*. (2013) \$20,000. Role: Principal Investigator. Co-PI: Genna Miller (Department of Economics, Duke University).

[Team-Based Learning Course Design Fellowship](#). Center for Instructional Technology, Duke University, 2012. \$1,000.

[Collegium of University Teaching Fellowship](#). Office of Instructional Development, University of California, Los Angeles, 2009.

ACADEMIC &
PROFESSIONAL
EXPERIENCE

Developer Educator
Posit (formerly RStudio) July 2016 - present

Developing educational materials for open-source projects such as tidyverse, Quarto, shiny, etc.
Maintaining [Data Science in a Box](#).

Senior Statistical Consultant
Statistical Consulting Center, UCLA March 2009 - June 2011

Provided statistical consulting to academic researchers, graduate students, non-profit organizations and companies in addition to developing and teaching mini-courses.

Graduate Student Researcher
School of Public Health, UCLA June 2008 - September 2009

Helped refine the underlying micro-simulation models for [health forecasting](#), contributed to health impact analyses and provided statistical consulting within the research group.

Actuarial Associate
Buck Consultants, New York, NY June 2004 - August 2006

Prepared actuarial valuations, benefit calculations and cost estimates, worked on mergers and acquisitions, early retirement windows, benefit plan strategy and design, plan terminations, regulatory compliance and non-discrimination testing.
